Dear Jim Pruss,

Thank you for registering with PennDOT District 9 Design Division's Dispatch List. We're pleased to have you on board and look forward to keeping you informed and updated.

Our mission is to equip you with the most current and essential information to ensure your consulting activities align with our evolving policies and standards. This platform will serve as your primary source for:

- Updates on policy changes and new policies
- Insights into common issues and how to address them
- Timely reminders and procedural updates
- And more, all tailored specifically for our consulting partners

Your information has been securely recorded and will be used exclusively for sharing relevant updates and notifications with you. We value your privacy and the integrity of your data; rest assured, it will be handled with the utmost care and confidentiality.

We encourage you to reach out if you have any questions, need clarifications, or wish to share feedback on how we can better serve your informational needs.

Thank you once again for joining. Stay tuned for vital updates and insights that will support your consultant work with us.

Best regards,
Jim

James T. Pruss, Jr., P.E. | Assistant District Executive - Design

PA Department of Transportation | Engineering District 9-0
