

May 2019

March Dinner Meeting Highlights

Our membership enjoyed cocktails, dinner and a great presentation at the Blair County Convention Center Wednesday, March 20. Keith Michael from SAI, along with Ryan Surrena from FAY and Ralph DeStefano from PennDOT District 9, presented on the Moxham Bridge Replacement Project in Johnstown Pa. The project included the replacement of an existing two span arch structure via phased construction. The presentation outlined some of the challenges that went along with the project, as well as the unique characteristics of the bridge itself. ASHE Altoona would like to thank Keith and all involved for a great presentation!

April Joint Dinner Highlights

ASHE Altoona joined with ASHE Pittsburgh, Southwest Penn and Mid-Allegheny to host the 4th annual Joint ASHE Dinner Meeting with PennDOT Secretary of Transportation Leslie S. Richards on April 18, 2019 at the RLA Learning and Conference Center in Cranberry Pa. Secretary Richards spoke about many different topics, including diversity in the industry, highway safety and the major issue of human trafficking in not only the US, but specifically in Pennsylvania. All attendees enjoyed a social hour and dinner prior to the presentation. ASHE Altoona would like to thank all of its membership in attendance, as well as Secretary Richards and the other ASHE sections for another successful joint meeting!

Upcoming Events

MAY 8 ASHE National Conference

The conference will attract over 500 public and private sector design professionals, vendors, contractors and guests from across the country, and provide a forum for networking and education on topics relevant to the transportation industry. The agenda is filled with informative technical sessions, social events and networking opportunities.

Visit <http://2019conference.ashe.pro/> for additional details.

MAY 15 ASHE Altoona Awards Banquet

Come join us at the banquet to honor the 2019 Richard L. McEldowney Distinguished Service Award Recipient (Jessica Urbas, PE – PENNDOT DISTRICT 9-0) and the 2019 Bill Wilson Memorial Scholarship Award Recipients (Jedidiah Elam – UPJ and Isabelle Macioce – UPJ).

We will also be installing the 2019-2020 ASHE Altoona Officers and Directors.

Where:

The Blairmont
265 Larch Street
Hollidaysburg, PA 16648

When:

May 15, 2019 – 5:00-8:00 pm

Beer and a variety of wines

~Reservations made and not honored will be invoiced~
RSVP to Dave Hoglund (dhoglund@rettew.com) by May 10th to reserve your seat!

From PennDOT District 9-0

ASHE Altoona/PennDOT District 9-0 Workshop Highlights

ASHE Altoona membership as well as many others gathered at PennDOT District 9 for the 17th Annual Joint Workshop on Tuesday, April 16, 2019. Those in attendance enjoyed presentations by PennDOT District 9 staff and several consultants, including both Department and project specific topics. Holland Brothers BBQ was served for lunch and many also ventured to Marzoni's following the workshop for a mixer. Thank you to all in attendance, and also to the many presenters for another successful workshop! All of the presentations can be found on ASHE Altoona's website: <http://altoona.ashe.pro/> by clicking the "Calendar" link and scrolling to "Presentations – 2019."

Memorial Pins

PennDOT has created a memorial logo to honor its fallen employees. The logo was designed by two of their staff members from Somerset County in District 9-0. When you see the logo, please take a minute to think of those we've lost and remind yourself how important safety is while working and traveling on our roadways.

Job Postings

American Geotechnical & Environmental Services (A.G.E.S.), Inc.

A.G.E.S., Inc. currently has multiple opportunities available in our Pittsburgh headquarters and King of Prussia branch office:

Project Level Geotechnical Engineer: This intermediate engineering position is for the individual who takes an increasingly responsible role in the management of projects. The employee independently evaluates, selects, and applies standard engineering techniques, procedures, and criteria on moderately complex projects. Plans, schedules, conducts, and/or coordinates detailed phases of assigned project work. Works closely with senior-level Project Managers to gain project management experience. Makes design recommendations, adaptations, and modifications. Performs calculations using engineering formulas and skills. Completes own design work using computer-aided techniques. Prepares reports and correspondence concerning the direction of assigned projects. Assists geologists in geotechnical field reconnaissance and inspection of exploratory drilling operations. Serves as a technical advisor to junior-level project team members. 6 plus years experience, excellent writing, analytical, communication, and computer skills. Professional Engineer preferred. Department of Transportation experience and experience with current design codes such as AASHTO and FHWA manuals a plus. B.S. in Civil Engineering. M.S. in Geotechnical or Civil Engineering with a concentration in geotechnical engineering evidenced by a minimum of 24 semester hours of geotechnical related courses a plus. Must be proficient using software programs such as LPile GRLweap, DRIVEN, SLIDE, Goldnail/SNAP, STABL, gINT, and Geosystem.

Staff Level Geotechnical Engineer: This is an entry level engineering position. The successful candidate will work in applying geotechnical engineering techniques, procedures, and principles on a variety of civil engineering infrastructure projects. Must have solid understanding of soil mechanics, shallow and deep foundations, slope stability, earth structures, earth pressures, instrumentation, construction monitoring, and soils laboratory testing. Some fieldwork required. B.S. in Civil Engineering. M.S. in Geotechnical Engineering a plus. Position requires registration as an Engineer-in-Training, or ability to obtain an E.I.T. within 18 months of hire. Knowledge of commonly used computer software (Word, Excel) expected. Candidate must have excellent writing and communication skills.

40hr/wk. for all positions. We are an Equal Opportunity Employer and we value workplace diversity. We invite resumes from all interested parties including women, minorities, veterans and persons with disabilities. A.G.E.S., Inc. is a Drug Free Workplace. Persons interested in these positions should send a resume to jobs@agesinc.com. For more information about the firm, please visit www.agesinc.com.

Additional Salary Information: Please check out our employee benefits at http://www.agesinc.com/default_files/Page6455.htm.

Job Postings
